Enhanced Record System to Assist Troopers/Officers Catch Armed Career Criminals

When: August 16, 2006

Where: Washington State Patrol Bellevue District Headquarters
2803 156th Ave SE
Bellevue, 98007

Time: 11:00 a.m.

Speakers: WSP Assistant Chief Leslie M. Young
Seattle Police Assistant Chief Nick Metz
ATF Special Agent in Charge Kelvin N. Crenshaw

Why: Every year approximately 59 officers are fatally shot in the United States according to the National Law Enforcement Memorial statistics. This enhanced tool will increase officer safety by providing all officers in Washington State with fast information for armed career criminals, to assist in getting them off the streets.

Photo Opportunity: the WSP dispatch center will be demonstrating the new system to allow the media to observe a test of the data that will be implemented by State Patrol dispatchers.
